

Basic Behaviour Modification Programme

What's included in this package...

After your initial enquiry we will ensure this is the right programme for you, and leave you with anything that needs to be addressed immediately. A possible vet referral may be sought before training commences.

Our extensive questionnaire will then be sent to you. Please do not rush when filling this out and the more information that can be provided, the better that will be for our training.

A video/call appointment will then take place to discuss the questionnaire. This will last up to 45-minutes.

From there we will arrange two 1-hour training sessions, which will take place from your home.

Additional training sessions are 60 euros if training needs to be continued.

Finally, after each training session an email will be sent to you recapping everything that was covered that day.

Aftercare once training has finished is free.

Total cost: 170 Euro
